Qualifying Customers

This program is applicable to customers of Goodhue County Co-op Electric Association.

Rebate Program Guidelines

Goodhue County Co-op Electric Association offers rebates to qualifying customers who purchase and install a qualifying energy-efficient HPS yard light.

Specific Rules and Qualifications

High Pressure Sodium (HPS) Fixtures 150 Watts or less

Warranty Information

Rebate qualifications do not imply any representation or warranty of such equipment, design, or installation by Goodhue County Co-op Electric Association. Goodhue County Co-op Electric Association shall not be responsible or liable for any personal injury or property damage caused by this equipment. Goodhue County Co-op Electric Association does not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program. In no event shall Goodhue County Co-op Electric Association be liable for any incidental or consequential damages.

Other Important Program Rules

1. Installation must be complete before funds will be issued for the rebate.
2. Customers and vendors must **submit equipment invoices** to Goodhue County Co-op Electric Association. To ensure that the equipment installed meets Goodhue County Co-op Electric Association's performance standards, these invoices must itemize labor charges, quantity and price of the equipment installed, and information regarding the manufacturer and model.
3. Goodhue County Co-op Electric Association reserves the right to conduct random inspections of installations.
4. The customer is responsible for checking with Goodhue County Co-op Electric Association to determine whether funding is available and to verify program parameters.
5. The maximum rebate amount shall be **\$50**
6. Qualifying customers must apply for Year 2010 rebates no later than November 30, 2010
